BELLAROCCA 4D/3N PACKAGE

WHO ARE WE

We are the sand, clear sky, green trees and the azure blue waters that dare take you away for a respite.

We are your creature comforts taken several notches higher.

We are the fresh destination you've been waiting to discover.

We are that new resort you've been longing to experience.

We are BELLAROCCA ISLAND RESORT AND SPA.

Bellarocca Island is situated off the south west coast of the Marinduque province. Characterized by seaside cliffs, valleys, hills and sparsely dotted plains across this heart-shaped region, therein lies even more impressively hot springs, waterfalls and underwater flora and fauna. In addition to these, there are caves that await exploration by adventurous travelers. Many are yet to be fully investigated or documented. The most famous of these cave systems is Bathala Caves which hosts a complex network of seven mostly uncharted caves. In the capital Boac, spelunkers can take delight in the limestone Talamban caves situated on a 300-meter hill.

Bellarocca provides fresh and sleek accommodation for travelers looking for an alternative to the usual thatch-roof or Balinese inspired resort accommodations found throughout Asia. Setting Bellarocca apart from other exclusive resorts in Asia, is its blend of luxurious privacy in an authentic Mediterranean resort setting, in an undiscovered destination, complemented by outstanding Filipino service.

Bellarocca, aptly meaning "beautiful rock," is located on a small mountain island covering 20 hectares off the south western coast of Marinduque, and is a brief 45-minute flight from Manila.

No matter the age, whether you come alone or come in droves, Bellarocca Island Resort and Spa is ready and able to guarantee that you make the most out of your stay with us.
